

## SHN Conference 2010

Last Updated Monday, 26 July 2010

Announcing: The International Sound Healing Network's 2010

6th Annual Sound Healing Conference

"The Science and Spirit of Sound".

Join us at The Omega Institute in Rhinebeck, NY

in the ONLY MAJOR SOUND CONFERENCE since 2008

July 30 - Aug 2, 2010 (Friday through Sunday).

The Science & Spirit of Sound

6th Annual SHN Conference on Sound Healing

SOUND as Past and Future Medicine

July 30 - August 2, 2010

Omega Institute

Rhinebeck, NY

Join major Sound Healers with international recognition in the field for a weekend of Science and Sound Healing. Share and learn the personal innovative Sound Healing techniques of a variety of noted teachers, including:

Dr. Mitchell Gaynor, M.D., Therese Schroeder-Sheker, Dr. John Beaulieu, N.D., Ph.D., David Newman and Guests, Zacciah Blackburn, Ph.D., Rich Goodhart

Examine NEW possibilities of healing within Sacred Sound, using the voice, drums, Sacred Ceremony and other tools for

enhancing the profound effects on the body mind and spirit with Sound Healing.

All registration, accommodations and meals are being handled by Omega Institute. Registration is not available until Late Feb or March.

To register after that time, click registration below.
