- The 9th Annual WORLD
SOUND HEALING DAY on

-

- Monday, February 14, 2011 At 12 noon Eastern Standard Time
(EST--New York Time)

Sound forth for 5 minutes with the "AH", created and projected with the energy of compassion and love, sending a sonic valentine to Gaia, our Mother Earth. At that time, please go to www.templeofsacredsound.org to enhance the vibratory effect as we sound together for planetary peace and harmony.

Please visit this link for more information on this event.

The World Sound Healing & All One Now Network is not directly affiliated with World Sound Healing Day, though we support its principles, and encourage you to participate.

BODY of SOUND with Ziji Beth Goren

Intention, story, and memory lay the ground for in-depth Voice-Movement practices in a heart-centered circle.

What unfolds? Voice-Movement vignettes, gateways to personal balance and performance reach.

"As a teacher, Beth has shown great capacity for working with both groups and individuals. I have seen her find new and different ways to help others reach their potential."
