

## Steven Halpern - One of Our Early Sound Healin

Last Updated Wednesday, 22 August 2007

Listen here to a recording of the SHN Teleconference & Webcast - with Steven Halpern - Recorded LIVE on August 21, 2007 at 8:30PM EST (This recording is provided FREE the general public!)

Steven Halpern

Steven Halpern is one of the world's leading composers and recording artists of music for relaxation, wellness and "sound health." For over 30 years, he has pioneered and promoted the healing powers of music through his recordings, books, media appearances and workshops. In 1971, Halpern began his pioneering research exploring sound, consciousness and healing using brainwave biofeedback and Kirlian (aura) photography. Steven Halpern, Ph.D. is the author of Sound Health (Harper & Row, 1985), numerous articles and a syndicated monthly newsletter. Steven's music has been heard on CBS's 48 Hours, ABC's 20/20, Oprah and John Bradshaw's PBS-TV series, "Homecoming and Creating Love". He has produced over 60 recordings in the Inner Peace® and Soundwave 2000™; Subliminal self-help series.

Listen below to the joint live broadcast and call in teleconference which aired on Tuesday, August 21, 2007
